Showers & Thunderstorms, Much Cooler

Marginal Risk of Severe Storms and Excessive Rainfall

Weather Forecast Office
Austin/San Antonio, TX

Issued Apr 25, 2022 3:26 AM CDT

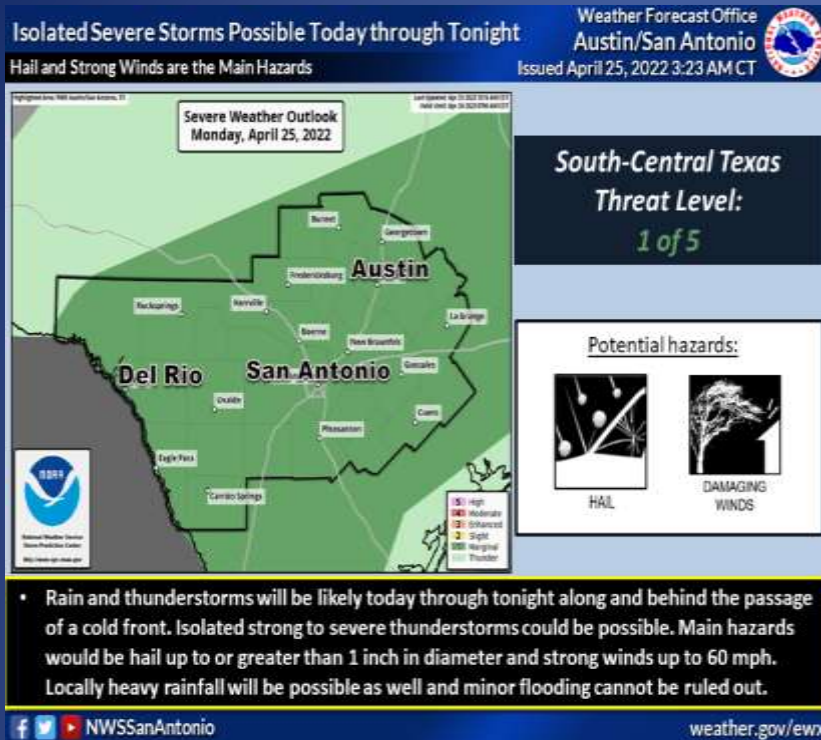

NWSSan Antonio

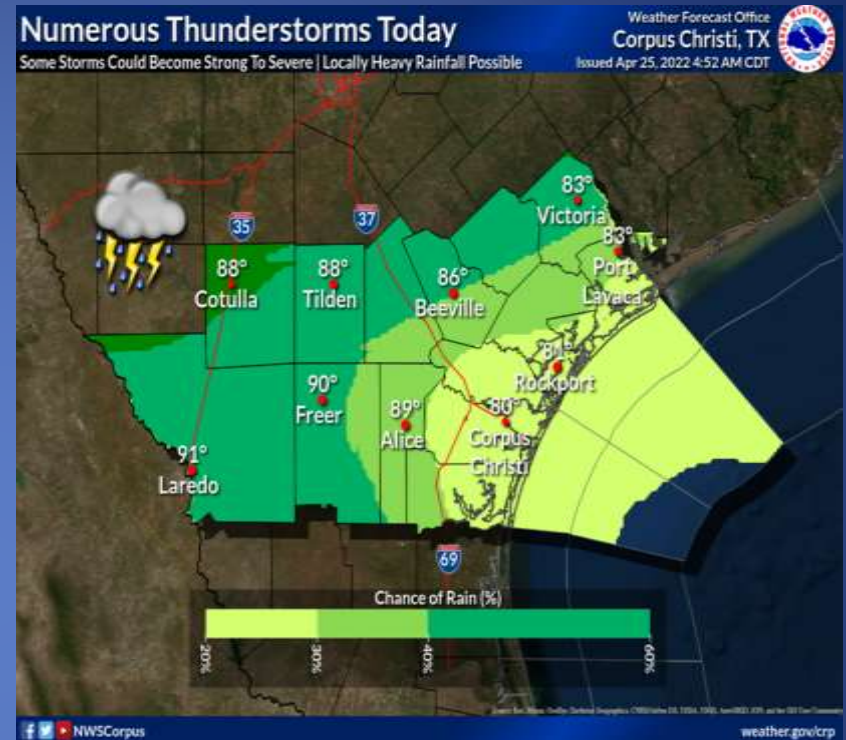

weather.gov/ewx

The passage of a cold front will bring rounds of showers and thunderstorms to South Central Texas today into tonight. There is a marginal risk of severe storms and excessive rainfall. Large hail, damaging wind gusts, and locally heavy rains are the main threats. High temperatures will be much cooler today, ranging mid 60s north to mid 80s south.

Hazardous Weather

The passage of a cold front will bring rounds of showers and thunderstorms to South Central Texas today into tonight. There is a marginal risk of severe storms and excessive rainfall. Large hail, damaging wind gusts, and locally heavy rains are the main threats.

Today will start off with mostly cloudy skies. The chance for showers and thunderstorms will increase this afternoon as a cold front approaches the area. Some storms could become strong to severe. Highs will be in the 80s to low 90s.

Hazardous Weather

Numerous Thunderstorms Tonight

Locally Heavy Rainfall Possible

Weather Forecast Office
Corpus Christi, TX
Issued Apr 25, 2022 4:58 AM CDT

Numerous thunderstorms are expected tonight as a cold front pushes through the area. Locally heavy rainfall is possible with these storms and some storms could become strong to severe. Lows will be in the 60s.

Today | Partly Cloudy and Warm

Thunderstorms Increase West Late This Afternoon

Weather Forecast Office
Brownsville/RGV, TX
Issued Apr 25, 2022 5:12 AM CDT

Winds are expected to be lower today but still breezy especially in the Lower Rio Grande Valley. Morning clouds give way to partly cloudy skies with temperatures climbing into the upper 80s to lower 90s. The chance of rain increases across western areas today with a chance of thunderstorms late this afternoon with a better chance tonight. A few storms, mainly tonight, may be strong with gusty winds some potential for hail and heavy rainfall. Mariners will see lower winds and seas today.
